MANY MOURNING FRIENDS PAY TRIBUTE TO LOUIS MICHAEL

Monday afternoon the Congregational church was crowded with sorrowing relatives and sympathyizing friends of Louis Michael, who passed away at Providence hospital in Oakland late last Friday night, and who had gathered to pay their last respects to the worthy young man and to listen to the impressive funeral services.

The following close friends acted as pall-bearers: M. Collins, S. Douglass, A. S. Liguori, Carl K. Mabie, John Anderson and Thomas Stafford.

Interment was in Cypress Lawn Cemetery.

Mr. Michael was a highly esteemed young man beloved by all and popular with a wide circle of friends.

He was taken ill about two months ago and although every thing known to the medical science was done for him he did not improve. He was finally removed to Colfax where he grew worse. A short time before he died he was taken to Providence hospital.

The deceased is survived by his parents, a brother and sister. He was a native of Woodside, aged 38 years. For some years Mr. Michael and his brother were associated in business in this city.

Rev. Stevens paid the following beautiful tribute to the character of the young man at the funeral services:

"Louis Charles Michael was born in Woodside and passed to a better world in Oakland being 38 years of age. He was a member of the Native Sons, Order of Eagles, and an enthusiastic member of the local Fire Department. He loved his home, and was a home boy. Before he left this world for a better, he confessed his sins, and renewed his faith in the God of Heaven. He had many friends the church being crowded to the doors with those eager to pay their respects to his memory.

Death pulls at the heart strings as no other grief, some how, we are never ready to part with our loved ones.

In this Christian land we are coming to look upon death as the door through which we enter life. Belief in God is increasing.

The sturdy oak on the hill side says " Sun thou art mine." The pansy with painted face and perfumed breath says "Sun thou art mine." So each one of us can look up through the lacey leaves into the bright blue and say "Jehovah thou art mine." For the average person, life is a struggle. There is a weakness in every life; but it is a mighty comfort to know that God has prepared a place for us, where troubles and cares are no more.

These are trying days of testing People are wondering what is to be the outcome. Is God leading? Is there a silver lining to the cloud? Are we advancing or retrograding? History tells us we must have these upheavals. Men come and go. Nations are born in a night; have their high noon of power and their setting sun of decay and pass into history. But God endures. God does not take anybody or anything he does not need. It is a great victory to gather in his presence, today, although the clouds are so heavy. Like the Master in the garden we must say " never the less, not my will but thine be done." That is victory. "You have done your full duty. Seventeen doctors tried to spare him to you but God knew best. He was not, for God took him."

"In my Father's house are many mansions; I go to prepare a place for you, and if I go, I will come again to receive you unto myself." "Have not I commanded you to be of good courage, be not afraid, forI thee Lord thy God am with thee whithersoever thou goest."

HORSES ARRIVE IN CAMP FREMONT FOR TRAINING

For the next two weeks Camp Fremont may resemble an army post on the far western frontier in the olden days more than the modern city of soldiers it is. The days of the bucking bronco and the cowboy will be revived again for the time to relieve the monotonous routine of the war-time camp.

The reason for the transformation is that Tuesday seven carloads of horses to be used as saddle animals by the officers of the Thirteenth Infantry arrived in camp. These horses came here straight from the ranges of the northwest and none of them has ever been broken. The task of taming them down for use promises to enliven the lives of the officers considerably for the next few weeks.

LOCAL HUNTERS SECURE FULL LIMITS OF QUAIL AND DUCK

The quail opened under most favorable auspices last Thursday. Many local hunters secured the limit in the nearby hills and all report birds plentiful. John Genochio and Louis Winkler sought the hills of San Gregorio and each secured fifteen birds on Thursday. The bag limit is 15 for one day and 30 for a week. Guy P. Hull and Jefferson Moore returned from a duck hunting trip to Los Banos on Wednesday each securing the limits. They report birds quite in that locality.

PIONEER REDWOOD WOMAN IS LAID TO ETERNAL REST

In the presence of a large number of sorrowing relatives and friends funeral services over the remains of the late Mrs. Anna B. Tribolet were held Tuesday morning at the mortuary parlors of the James Crowe Undertaking Company, the remains being laid to rest in Union Cemetery. The death of Mrs. Tribolet occurred Saturday morning, following a long illness. Patiently and with calm resignation she bore her sufferings and passed to her rest surrounded by the members of her family.

Deceased had been a resident of this city for many years and was well-known among its early residents. Coming to this city something more than forty years ago with her husband, Gottlelb Tribolet, the then young couple engaged in the hotel business which they conducted for a considerable time.

Mrs. Tribolet was a native of Switzerland and 69 years of age. Besides her husband, she is survived by five sons and one daughter—Henry G., Fred, Edward A., John J., and William Tribolet and Mrs. Anna Nelson.

In the passing of Mrs. Tribolet Redwood City loses another of its splendid pioneer residents, one who will be missed by many by whom she will be remembered for her splendid traits of character. Of a kindly disposition, she made many firm friends. Generous almost to a fault, the needs of others were to her always a first consideration. Ever ready to aid those less fortunate, none in need were ever turned empty from her door. Without ostentation, but with practical consideration, she gave as her means would afford, helping where help was most needed, doing good as the opportunity offered. Many who have been recipients of her kindly generosity will join in sympathy with the bereaved family.

MANY RALLY TO AID CATHOLIC WAR FUND

Eighty-two thousand dollars was the magnificent sum subscribed at the very first meeting of the Catholic war fund drive for funds for work amongst the soldiers and sailors in camp or quarters in the Bay counties. The most Rev. Archbishop Hanna presided and amongst the speakers who helped to arouse the audience was Mr. E. J. Tobin of San Mateo Council of the Knights of Columbus.

The drive will last ten days and will close with a final rousing meeting on the evening of Saturday, Nov. 24th.

The aim of the drive is for a fund of $250,000. This fund will be at the disposal of the Most Rev. Archbishop and will be divided pro rata amongst the various military camps located within the confines of this Catholic diocese. In its expenditure, though neither race nor color will be considered. It is absolutely for non-Sectarian work amongst our soldiers.

Camp Fremont, the remount station and the base hospital, all situated at Menlo Park and therefore, the deep concern and responsibility of the peninsula generally, constitute far and away the largest military center in this vicinity. Consequently, by far the largest part of the $250,000 will be spent here.

The drive inaugurated in San Francisco last night will shortly be organized locally and every one will be given an opportunity to prove just how much his patriotism is worth.

LOCAL GAS CHARGES ARE NOT TO BE INCREARED

The Pacific Gas and Electric Company has asked the Railroad Commission to allow it to raise the minimum meter rate to consumers. At present it stands at fifty cents per month. The company finds by actual tests that this will not cover the cost of supplying the service, so that in asking permission to raise the minimum to seventy-five cents per customer they are but just in their request. The company has done a great deal for California and are entitled to the raise. The justness of the application will be inquired into by the commission at a hearing set for December 28th at Redwood City.

It should be remembered by the public also that the company has done a great deal of late to improve service in the district under consideration. It has but recently enlarged the capacity of their high pressure mains by replacing the old four-inch mains with mains of double capacity on the high pressure system reaching from Baden crossing to Redwood City. They have also made decided reductions in their rates for large consumers, establishing charges of seventy-five cents over ten thousand used in one month. This rate was established in August 1916, for the purpose of assisting industrial development and encouraging the use of gas for manufacturing and heating purposes in large quanities.

We think the public should understand these matters fully before the hearing comes off so that any who may care to attend will do so with an accurate knowledge of the subject acquired beforehand.

MRS. H. W. BROWN IS SOCIAL SERVICE SECRETARY

Miss Elizabeth Skeele has resigned her position as secretary of the Social Service Committee to accept a place with a commission that is soon to visit Mexico. Mrs. Henry Ward Brown has been appointed to temporarily fill the vacancy until such time as a trained worker may be secured. The many friends of Mrs. Brown hope she may see her way clear to hold the secretaryship permanently. A better qualified woman to perform the duties of the position does not live in San Mateo county.

The commission goes to Mexico to study the socialogical and economic conditions of the southern republic. The work of the commission is made possible through the contribution of $100,000 by Edward L. Dohney, oil magnate of Los Angeles.

The University of California will be well represented on the commission. Among those who have been chosen are Prof. Herbert E. Bolton, Prof. Bernard Moses and Dr. Jessica Peixotto, all of the University of California; Prof. Percy A. Martin of Stanford University, Miss Elizabeth Skeele, director of outdoor recreation for San Mateo county; Miss M. E. Palmer of the Berkeley High School faculty, secretary. Dr. G. W. Scott, formerly of Stanford University, who is a member of the commission, said:

"Mr. Doheny believes that a group of scholars such as he has selected will be welcome in Mexico, where much of the unfortunate condition is due to ignorance and misunderstanding on the part of the American public. He is absolutely opposed to any exploitation of Mexico by foreign capital and recognizes that there is danger that after the war European investors will importune their governments to intervene in Mexico on their behalf. President Wilson ought to be provided with information such as a thoroughly disinterested group of investigators can gather."

THREE LOCAL BOYS LEFT ON WEDNESDAY FOR SAN PEDRO

Sydney MacKenzie, young son of Mr. and Mrs. Donald MacKenzie of this city, Reginald and Harold Parker, sons of Rev. Parker, pastor of the Baptist church, left on Wednesday for the naval training station at San Pedro, they having enlisted some time ago. The two Parker boys were in their junior year at Stanford and left their classes to fight for the flag. Young MacKenzie resigned a lucrative position with the California Sugar Refinery Co., of San Francisco to go to the war.

Thomas E. Hickey Promoted

Thomas E. Hickey, young son of Supervisor Thomas L. Hickey of South San Francisco, has been promoted to the position of corporal at Camp Lewis. Young Hickey left with the second San Mateo county contingent and was the commander of the division to the cantonment. Mr. Hickey is a graduate of Santa Clara University and there won fame as a baseball player.

FREE RURAL MAIL DELIVERY FROM MENLO PARK ASSURED

The long contemplated Rural delivery service from the Menlo Park post office it at last a certainity, and will be put in operation on the 2nd day of January, 1918. The matter has been before the Department for some time, but has been delayed for the reason that the Department considered a short route operated three times a week sufficient for the present need.

It would not have been possible to secure the services of a desirable carrier on a route of this kind on account of the meager salary allowed Postmaster E. J. Crane has induced the Department to grant a route of 25 miles and the patrons will be given first-class automobile service.

The route includes all the residents in the Coleman tract, the Cooley tract, Ravenswood, Runnymede, Woodlawn, North Palo Alto, Stanford Park, Menlo Heights, Atherton and North Fair Oaks.

Postmaster E. J. Crane has been untiring in his efforts to secure this much needed delivery and it is mainly through him that this improvement in the postoffice has been secured. Mr. Crane will hereafter become extremely popular with rural residents who appreciate his services on their behalf.

Mr. Hogan senior has been prominent in the politics of the city for over forty years.

RYAN RETURNS FROM DRUGGISTS MEETING

P. A. Ryan, the popular druggist, arrived home on Tuesday last from the east, where he went a month ago to attend the convention of the United Drug Company at Boston and New York. Mr. Ryan spent some time in Gotham visiting relatives. He also visited relatives in Oil City, Pennsylvania and Chicago. Mr. Ryan marvelled at the vast business activities in the east, particularly in the cities where ammunition is manufactured. Everywhere there is a cry for help. The scarcity of men in all lines is retarding manufacture and hampering the farmer. This is owing to the great number of young men who have been called to the colors. Mr. Ryan observed great war activities everywhere. Mr. Ryan visited Niagara Falls and other important points. He encountered good weather but notwithstanding this he was glad to get home to sunny California.

SEND ABLEST MEN

In any and every important conference between the United States and the natons with whom we are fighting this war against autocracy, this government should be represented by the men who are best qualified by native ability, by experience, in large national problems and by the the influence which goes with world-wide reputation. Our present international conferences are not schools for the education of diplomats. They are tasks calling for the services of men whose abilities have been demonstated and whose names command respect the world around. Col. Roosevelt fills the bill.

TYPISTS WANTED IN WASHINGTON

The Civil Service Commission at Washington announces once more that it needs 10,000 typists and stenographers at entrance salaries of $1000 to $1,200. This Board of Trade of the city of Washington has undertaken to find rooms and boarding places for people who go to the national capital to engage in Government work.

McADOO'S TIME HAS COME

"The time has come", says Secretary of the Treasury McAdoo, when suffrage should be given to the women of America. As a matter of fact, the present time is no more opportune than any other for the giving of the franchise to women. If women suffrage is desirable, it was as desirable twenty years ago as it is today. What Mr. McAdoo really meant was that the time has come for him to advocate woman suffrage.

SOME COMPARISONS

The stock of whiskey on hand in this country is estimated to be enough to last for three years; the stock of sugar on hand is enough for three weeks; the stock of coal on hand is enough for about the same time. If sugar and coal required time to develop their flavor and add to their value, there would be plenty of them also.

WORDS NOT QUAKERESQUE

The birch poles, wooden guns, and other makeshifts with which the soldiers at cantonment are being drilled are known in the ranks as Bakerkrags. Thus war enriches the vocabulary. Doubtless these Quaker guns have called forth other words which may not be printed in a truly moral journal like this.

CRUSH THE I. W. W.

Municipal elections in Russia show the Bolsheviki to be a negotiable quantity, numerically speaking, their vote in the larger towns amounting to but seven per cent of the total, while in the smaller communities it was less than three per cent. The Bolsheviki in Russia correspond to the I. W. W. in the United States. In both countries they have exerted an influence far beyond their real strength because they have not hesitated to employ methods of terrorism before which the forces of law and order have shrunk in unnecessary dismay. The percentage of Americans opposed to the I. W. W. is no smaller than that of Russians who are opposed to the Bolsheviki; and in each country this great majority, by vote and with the force should unite to crush such enemies of free institutions.

REPORT OF SESSION OF SUPERVISORS

The board of supervisors met in regular session Monday, November 12th at 10 a. m., there being present Dr. C. V. Thompson presiding, T. L. Hickey, W. H. Brown, John MacBain and Jos. M. Francis.

The report of County Auditor J. J. Shields showing the amount of money that can be drawn against the esveral funds of the county during the month of November, was received and ordered filed.

Judge Edw. F. Fitzpatrick appeared before the board and presented the proposed route of the Peninsula Railway Company, whose application for a permit to conduct a motor bus service between the northerly limits of San Mateo county and Camp Fremont was heard at the previous meeting of the board. A resolution granting the permit, according to the route shown, was adopted on motion of MacBain, seconded by Francis.

Robert M. Hoyt, representing the State Board of Health, addressed the supervisors in the matter of the county taking some action and making provision for the care and treatment of prostitutes that may come into the county affected with diseases. Dr. Waters, secretary of the State Board of Veneral Diseases also addressed the supervisors in the above matter asked the members of the board to take care of cases that belong to San Mateo county. This the board promised to do and also to take care of any emergency cases that may belong to some other county.

The hearing of the case of Mrs. Lena Clark (colored), proprietor of the "Owl" road house at Miramar on the coastside of the county, charged with selling liquor over the bar when she had only a restaurant license and also with conducting her place in a disorderly manner, was taken up at this time, District Attorney Franklin Swart conducting the examination of the witnesses.

Manuel Dutra was sworn and testified that he and several others had entered the "Owl" about two months ago and had been served with whisky

Churches Services

Baptist Church

The special gospel meetings that were announced to be at the Baptist church this week have been postponed for a little time in order to perfect a union meeting. Mr. Taylor and son, the evangelists, were in town Monday talking with the workers and made a very favorable impression. Young Taylor is a very unusual musician, with a tenor voice of rare quality. It is expected that Mrs. Taylor, who is a fine cornetist, will also be among meetings. This will make an exceptionally strong evangelistic team.

BOARD OF SUPERVISORS

(Continued from page 2)

over the bar. He also stated that it was generally rumored about that girls were kept in the place.

Mrs. Clark took the stand and testified in her own behalf. She claimed that the place had always been conducted properly and denied that any girls had been employed in the place since the death of her husband. She claimed that the charge made against her was due to personal spite work on the part of some persons with whom she had quarreled some two weeks ago. She admitted that she had sold liquor over the bar at times. Mrs. Clark made a strong appeal to the members of the board for time to dispose of her place of business, before having her license taken away from her.

Before taking action in the Clark matter, the board decided to dispose of the other two saloon coses that were slated for hearing on this day —that of Mrs. Kohn, charged with conducting a disorderly place at Miramar, and Jack Mori, charged with selling liquor to soldiers in uniform.

Supervisor Francis stated that he had received a letter from Mrs. Kohn, saying that she intended valating her place and moving away and that she would not appear for the hearing. Whereupon, it was ordered, on motion of Francis, seconded by MacBain, that the loquor license issued in her name be revoked.

District Attorney Swart informed the members of the board that Jack Mori had pleaded guilty in the Federal Court to the charge of selling liquor to the soldiers and had been sentenced to serve ten months in the county jail in San Francisco and to pay a fine of $500. It was thereupon ordered, on motion of MacBain, seconded by Hickey, that the liquor license of Mori be suspended.

Supervisor Francis addressed the board and stated that he had voted to issue Mrs. Clark a liquor license, shortly after the death of her husband upon her plea that she wanted to dispose of the place and could do it much more easily if she had the license. She had promised to run the place in an orderly manner and in accordance with the law, but had failed to do so. He then made a motion, which as seconded by Hickey, that the license be revoked. The motion carried on roll call.

County Surveyor James V. Neuman presented a deed from the California Suburban Homestead Company, conveying to the county a strip of land at Farallone for a crossing. The deed as accepted and ordered filed, on motion of Francis, seconded by Brown.

At the request of Judge Buck, chairman of the San Mateo County Council of Defense, District Attorney Swart appeared before the board and stated that a request had come to the local council from the State Council, asking for a crop estimate of San Mateo county.

On motion of MacBain, seconded by Hickey, it was ordered that R. F. Chilcott of Redwood City be employed to do this work at a cost not to exceed $75.

District Attorney Swart presented a written opinion in the matter of the claims incurred by the city board of health of San Mateo for the care of a disabled family at San Mateo and which had been turned over to the supervisors for payment. In his opinion Swart showed where it was the duty of the board of supervisors to take care of the indigent sick within and without incorporated cities, but that all bills for this purpose must be contracted by some employee of the county or some person under the jurisdiction of the board of supervisors; otherwise it would not be a legal claim against the county. No further action was taken by the board.

On motion of Hickey, seconded by MacBain, County Engineer Neuman was directed to make a survey of an old road back of the cemeteries leading from the San Bruna road to the road known as the Old Boulevard and located in the First township.

County Surveyor Neuman reported the results of his investigations relative to purchasing railroad crossing signs for the county, stating that the signs could be bought from the California Corrugated Pipe Compnay for $1.85 a piece.

Purchasing Agent Ernest Werder was thereupon ordered to buy the signs from this concern at the above price.

A communication was received from the County Social Service Commission notifying the board of the resignation of Miss Elizabeth B. Skeele, executive secretary of the commission and the appointment of Mrs. Henry Ward Brown to succeed her until some other trained worker is found. A communciation from Miss Skeele to the commission, tending her resignation and explaining that she had accepted a position under the Doheny Fund for a year's work on the investigation of social and industrial work of women and children in Mexico. was also received.

On motion of Brown, seconded by Francis, it was ordered that the communications be received and that favorable action be taken on both.

Miss Skeele was present at the meeting and addressed the board, expressing her appreciation for the assistance that had been given her by the supervisors and by the members of the commission in carrying out her work.

Supervisor MacBain and other members of the board spoke very highly of the splendid work that had been done by Miss Skeele as executive secretary of the Social Service Commission, and all regretted very much her leaving. The board assured the members of the commission that the same cooperation and assistance that had been given Miss Skeele in carrying on the relief work in the county would be given Mrs. Brown.
